FACT SHEET FOR FAMILIES
Preliminary Questionnaire

What is Habitat? Northern Berkshire Habitat for Humanity (NBHfH) is the local affiliate of Habitat for Humanity International. NBHfH serves the Northern Berkshire area. We are dedicated to empowering low-income families to change their lives and the lives of future generations through home-ownership opportunities. This is accomplished by working in partnership with diverse people, from all walks of life, to build simple, affordable housing.

How does a Family Qualify for a Habitat Home? Families are chosen based on a combination of Family Selection criteria:

- **Need for Shelter-** The applicant’s current shelter is inadequate because it is structurally unsound, is overcrowded, has unsanitary or unhealthy conditions, is in an unsafe neighborhood, needs basic repairs that the landlord will not make, or the resident is paying more the 50% of the household income for housing.
- **Willingness to Partner-** The applicant agrees to work cooperatively with NBHfH from the time of selection until the mortgage is paid off. They must attend meetings with NBHfH representatives for financial counseling and homeownership education, and must help build their own home, completing a minimum of 250 hours of sweat equity per adult in the home and future homes.
- **Ability to Pay-**the applicant’s household income is between 30% and 60% of area’s median income based on family size.

<u>Family Size</u>	<u>Monthly Income 30%-60% Ranges</u>	<u>Annual Income 30%-60% Ranges</u>
One	\$1,475-2,945	\$17,700-35,340
Two	\$1,683-3,365	\$20,200-40,380
Three	\$1,895-3,785	\$22,750-45,420
Four	\$2,166-4,205	\$26,500-50,460
Five	\$2,586-4,545	\$31,040-54,540
Six	\$2,965-4,880	\$35,580-58,560
Seven	\$3,343-5,215	\$40,120-62,580
Eight	\$3,721-5,555	\$44,660-66,660

The applicant shows a stable and adequate income, evidence of an ability to manage money responsibly and the ability to make monthly mortgage, property tax and insurance payments.

Families who qualify purchase their home at no profit to Habitat. Since most of the labor and some materials are donated, the cost is lower than conventional housing. The house sale price and mortgage are set to ensure the selected family’s housing costs do not exceed 30% of their total income. NBHfH assists the family in applying for an affordable mortgage.

Who Builds the Houses? The Building Committee oversees cooperative efforts of volunteers, home buyers and hired laborers. Each homeowner works sweat equity hours in partnership with habitat volunteers.

What Happens to my House if I want to move? Family selection is based on the premise that Habitat homeowners will wish to live in their homes permanently. However, family needs can change and a move may be necessary. By contract the home must be sold as affordable housing to a family in a similar income range.

What are the Homeowner Responsibilities? Homeowners will be responsible for insurance, taxes, utilities, maintenance and all other expenses normally incurred by homeowners.

What must I do to Apply for a Habitat House? Complete the enclosed Preliminary Questionnaire and mail to NBHfH, PO Box 391, North Adams, MA 01267.
